Contemporary & Eco-friendly Table and Serveware

If life is not pink, what color is it?

NATSPIRIT – a European brand - designs Friendly and Colourful Tableware and Serveware made with Unusual Materials so that eating is only a source of pleasure.

Thoughtfully imagined with the professional end-users in mind, our various materials such as **ENAMEL, BAMBOO or SILICONE** offer a real alternative to traditional stoneware!

Restaurants, Caterers and Hotels can make the Usability a priority while creating beautiful and meaningful concepts.

ECO CONCIOUS MATERIALS

Sustainable by using Durable, Re-usable
and Resistant Materials

BAMBOO

 *Fastest growing Plant on Earth*

*Bamboo fiber with
a melamine binder,
to help extend the
life of the products.*

*There is no varnish,
coating nor paint
on the surface of
our products, so
they will never fade,
peel or leach harmful
chemicals.*

ENAMEL

Durable & Versatile

Enamel combines aesthetic appeal, durability, heat resistance and ease of cleaning, making it a versatile choice for everyday professional use.

SILICONE

Earth's Miracle

*A combination of quartz rock and Carbon makes **unbreakable** products with a never-ending life.*
